We know it is summer time! If you have schedule conflicts with any of these dates/times, please let Mr. Smith, your section leader, AND your instructional staff know in advance. Our goal is to have a lot more of the music and visual aspects of the show under our belt before school starts. This will be helpful in us finishing the show much sooner, once the school year begins.

The Marching Band & Color Guard Parent Meeting to kick off the Fall 2019 season will be held on Wednesday, July 31st, 2019, at 7pm in the SVHS MPR. This is an important meeting so please have at least one parent attend!
