Simi Valley High School – 51st Annual Band Spectacular

Saturday, October 26, 2019

Greetings,

The Simi Valley High School Instrumental Music Department is very proud to present the 51st Annual Band Spectacular Competitions on Saturday, October 26, 2019.

This competition will be held at Simi Valley High School and will involve high school participants from a variety of high schools in southern California.

Marching band and color guard is an exciting competition for high school band and color guard students, which compete in field shows, using colorful equipment and choreography as well as exciting precision drill. At the end of the performances, groups are awarded beautiful trophies to highlight their success.

We are currently seeking interested individual and local businesses to help with the enormous cost of presenting such a show. The Simi Valley High School Instrumental Music Department is asking for your help in sponsoring these events or specifically sponsoring one or more of the many trophies we will award that day. You may also purchase advertisement space in our Band Spectacular program!

As a donor to this event, we will proudly list your name or your company name in the Band Spectacular program, offered to over 1000 people who will participate or watch our shows. We will also announce your individual or your company name throughout the event (including the awards ceremony). In addition, we will also invite you to join us as our guest on either of these events to be part of this exciting event!

We are confident that with your help we can present the best marching band and color guard field tournaments ever! If you are able to help us, please fill out the sponsorship form(s) and return them with your donation to the address provided. You may also return it with the student/parent volunteer.

Thank you for your consideration! We look forward to seeing you on Saturday, October 26th, 2019.

Musically yours,

Matthew J. Smith
Instrumental Music Teacher
