Calendar & Event/Trip Itineraries

Always check the Google calendar page on www.svhsinstrumentalmusic.org for any rehearsals and events regarding the ensembles for which you are affiliated with. Dates/events are still being added, so please check back. Click calendar on the top navigation menu to access.

Itineraries (or call sheets) are detailed documents which will list call times, departure times, performance times, campus maps, and other pertinent information relative to the specific event we are traveling to. You can find the itineraries on their own page by clicking the Calendar tab on the top navigation menu, and then Itineraries sub tab on the website. A PDF itinerary will generally be uploaded 1-2 weeks (some times sooner) prior to the event, so check back often.

Volunteering

It takes a lot of parent volunteers to assist the instrumental music students throughout the year. We host and perform at several instrumental music department events both on and off campus throughout the year, as well as other needs that parents are asked to assist with. You may receive an e-mail or phone call from our Volunteer Coordinator, Shelly Hultgren, at some point prior to an event, if we do not have enough parents filling those roles. If every parent in, the program volunteered for 1-2 events for the entire year, it would make a huge difference. As we get things setup for the year, they will appear on SignUp.com, which is where our parent volunteers will electronically sign up for events they wish to volunteer for. You will notice specific shifts (times), and duties for each event. You may access our groups SignUp.com page by first going to www.svhsinstrumentalmusic.org and clicking on the Boosters tab, and then the volunteer signup button that is linked to our program.

Communication

Make sure you join the Remind for the classes you and your students are involved in. This will ensure you are getting text messages when important updates come up. You can find a list of codes on the website by using the search box and typing, "Remind." To join the Marching Band Remind, text the code **@svhsmband** to the number **81010**.
