Senior Band Night Football Game

Senior parents, this football game will be here next week on Friday, September 27, 2019. Please plan on being there when your senior is recognized and walking down the field during the pre-game portion of the football game. An e-mail was sent out via Aeries, and announcements will be made at rehearsals to all seniors to have their parents available for that night.

Ad and Trophy Sponsorships

Do you know any local businesses or family/friends that may want to sponsor an ad or trophy for Band Spectacular? All families in the instrumental music program are encouraged to seek ad/trophy sponsors for this event. 50% of each ad/trophy sponsor you get, will go toward the participation donation, or other expenditures you may have within the program this year. Perhaps you want to begin working toward next year, or want to purchase a program jacket, or etc. The more we can get sponsored, the less we have to spend from our budget! You can download the forms from the blog on the home page of our website.

Band Spectacular Update

We currently have 32 bands registered to attend Band Spectacular on Saturday, October 26, 2019. According to records, this is the first time we have almost filled up our available spots. We can take up to 30-35 bands, and at this rate, we might just fill up! With that said, there will be a lot of students, parents, and spectators on campus that day, and we will need all instrumental music program families to help run this event. **There was already one meeting for the event last Tuesday, and another one will be schedule sometime in October. You may find the volunteer spots for this event on our SignUp page.**

Booster Board: Shadow Current Senior Members to Replace Them in 2020-2021

We are graduating a lot of our board this year because they have senior students. With parents moving on comes the need for parents to fill the vacant positions. If you are a freshman, sophomore, or junior parent, this is the time to get involved and begin shadowing current board and committee members to learn how the booster organization works. Please consider coming to a board meeting or speaking to any of our board members about the positions that will become available for next year. This year's board is second to none, and we would love to continue the transparency and camaraderie that they have established. The booster board is one of the primary reasons why our program continues to sustain itself. It is paramount that we have parents in these positions to ensure the students are able to continue the many activities and educational experiences we provide.

Disney Concert

This concert is now set for Saturday, October 5, 2019 from 6:00-8:30pm in our MPR and will serve as our fall concert. The concert will feature music from a variety of movies including, Aladdin, The Little Mermaid, Moana, and Frozen, to name a few. We will be sending out more information over the next week or so. Admission will be \$5 for seniors, children 5-12, and veterans, and \$10 for general admission. Admission will include free popcorn, and possibly other goodies. The concert portion will be about one hour. At the conclusion of the concert, we will show a full length Disney movie on the inflatable screen outside. We hope you will enjoy this event, and invite your friends and family to come out and enjoy a fun filled evening!

Volunteer Needs

Please look at the calendar and see what events you may be able to volunteer for. Volunteering is a great way to meet other parents and students in the program. Even if you are unable to attend an event, there many tasks that can be done from home and dropped off at school. Our Volunteer Coordinator, Shelly Hultgren (shelly.hultgren@outlook.com) and members of the booster board are here to help you with any questions you may have about our parent help needs. Continue to use the SignUp.com link on our website which will take you directly to specific events where we have volunteer needs.

Senior Instrumental Spring Trip

Seniors, you should have all received an e-mail from Mr. Smith regarding this trip. The poll is the same as last year, and the trip would essentially take place around the same time as last year's senior trip. We want to get a head start on planning, so that everyone can make their payments. Please check your e-mail and respond to the poll, which will let us know who is interested. The more students that go, the cheaper the price for everyone!
